- That, in taking measures foreseen by the Framework of Standards to Secure and Facilitate Global Trade, the OSCE participating States will in particular aim to promptly incorporate into their national procedures and regulations the Seal Integrity Programme for Secure Container Shipments, contained in the Appendix to Annex 1 of the Framework;
- That all OSCE participating States will inform each other on the measures taken to implement the above commitment;

Tasks the Secretary General to facilitate, as appropriate and within existing financial resources, technical assistance in this field by the WCO and other relevant international organizations to requesting participating States;

Tasks the Secretary General to promote, through and within the OSCE's existing organizational and logistic abilities, co-operation with the WCO and other relevant organizations in their efforts to enhance understanding of the objectives of the WCO Framework of Standards to Secure and Facilitate Global Trade;

Encourages the OSCE Partners for Co-operation and the Mediterranean Partners for Co-operation to voluntarily implement this decision.

It also records the fact that in implementing the Framework the administration may require capacity-building assistance.
